About Seminar

The vision of Ek Bharat Shreshtha Bharat embodies the fundamental spirit of India's unity in diversity. It seeks to strengthen national integration by promoting deeper understanding, mutual respect, and cultural exchange among people from different states, regions, languages, and traditions of the country. Ek Bharat Shreshtha Bharat acquires greater relevance as India progresses as a global knowledge society. Educational institutions play a pivotal role in nurturing values of harmony, inclusivity, and constitutional morality among young minds. Through dialogue, research, pedagogy, and community engagement, educators can foster awareness about India's shared heritage, pluralistic culture, and democratic ideals. This National Seminar aims to provide a scholarly platform for academicians, researchers, teachers, and students to deliberate on the philosophical, cultural, educational, and social dimensions of national integration. By exchanging ideas, best practices, and research insights, the seminar aspires to contribute meaningfully to nation-building and to reaffirm our collective commitment to the vision of Ek Bharat Shreshtha Bharat—a united, vibrant, and resilient India.
